

Drawers colours

**APOLLO - SPECIALIST TROLLEY
COD. 60914**

BEARING FRAME

L-shaped single-piece frame made of powder-coated steel, thickness 10/10, grey coloured. It is finished with acrylic polyurethane enamels resistant to scratches, stains and corrosion and can be washed and disinfected.

SIDE AND REAR PANELS

Oval-shaped panels made of BAYDUR with rounded edges, grey coloured. BAYDUR is created by casting rigid polyurethane foams with applied density 250-600 kg/m³, thickness 14 mm. Load capacity 100 kg.

WORKTOP

Baydur grey coloured worktop with raised edges on three sides. It is provided with built-in ergonomic and anti-trauma push handle.

DRAWER UNIT

Removable drawers made of moulded technopolymer running on telescopic slides allowing their complete extraction. They are provided with moulded ergonomic and anti-trauma handles and stopper.

Key-lock is available upon request (not included in the price).

Standard drawer configuration: 3 x 140 h mm, 2 x 210 h mm

LEFT SIDE

3 tilt side storage compartments.

RIGHT SIDE

1 technopolymer pull-out additional worktop.

BASE

Double perimetral technopolymer bumper to prevent the trolley from turning over. 4 thermoformed swivel antistatic castors, Ø 125 mm, mounted on bearings; 2 are lockable.

Dim.800x620x1130 h mm
