

SENIOR/L-2 - LINEN DISTRIBUTION TROLLEY
COD. 1070/L-2

AISI 304 stainless steel tubular structure, completely welded at all joints to avoid water infiltration and dirt buildup, ensuring perfect hygiene.

Bottom, top, sides and doors are made of 18 mm thick wood panels, covered with melamine sheet and with ABS profiles along the edge.

Composed by:

- one compartment closed by 2 hinged doors with magnetic lock and equipped with 1 inner shelf;
- one drawer

The two tubes running above the top shelf build a comfortable push handle.

Base on castors diam. 125 mm

Dim.680x660x1320 h mm

Position 1

Rev. 00 del 03/02/2021
