

## COMPUTER TROLLEY COD. KC001CR

Trolley ideal both for notebook and PC desktop with low space requirement. It is easy to handle and keep always within reach.

### BODY

Structure made of powder-coated steel finished with acrylic polyurethane enamels resistant to scratches, stains and corrosion. The structure can be washed and disinfected.

### UPPER STRUCTURE

It is composed of top working area with pull-out shelf for storing the keyboard or the notebook. (Bracket with wiring and cable glands for securing the monitor is available upon request - cod. KC002CR)

### LOWER STRUCTURE

It is composed of:

- footrest base for operator's comfort
- CPU-holder compartment

The footrest and the CPU compartment are separated by a partition wall to avoid the risk of dropping the PC on the floor accidentally.

### BASE

4 swivel twin castors, Ø 70 mm, mounted on bearings; 2 are lockable.

Dim.540x473x831h mm

### Position 1
